Domestic violence follow-up advocate, Sheila Frampton, left, along with his mother, Clarissa Beyler, helps to calm Chance Meyers, 2, at the Women's Center June 29. Beyler and her two sons have been staying at the Center for more than two weeks. "What hasn't this place done for me? It's helped me become a better woman. It's a safe haven," Beyler said.

June was national Adopt a Cat month, but Karen Mullins, the Humane Society's manager, said that they have received more cats than they have adopted out. Mullins said having a cat is very beneficial, particularly for companionship. "They all have their own little personalities," she said.

While parents used their voices to protest the potential loss of funding, children held signs and used their presence to show support for the funding that keeps them in pre-kindergarten programs.

With the final Sunset Concert happening Thursday, how would you rate this year's series?

I loved it. Carbondale continues to bring in great live music.	100%	90%	80%	70%	60%	50%	40%	30%	20%	10%	0%
I don't like it. The bands did not play music I enjoyed.	25%	15%	10%	5%	5%	5%	5%	5%	5%	5%	5%

Meet the photojournalists

James McDonough
PHOTO EDITOR
DAILY EGYPTIAN

I admit that I was a little intimidated when asked to be the photo editor this summer. Now, however, I am not ready for the semester to end.

This summer I had the opportunity to work with a photographer who writes, a writer who photographs and two photographers who did what it took to make it happen amid schedules I could not begin to keep up with.

While having fewer things happening on campus meant a

lighter workload of three editions per week, it also increased the challenge of keeping the DAILY EGYPTIAN visually interesting. Kate, Genna, Julia and I certainly hope we achieved that.

In addition to the official photography staff, I owe a huge thanks to our sports editor, Sean McGahan.

With daily stories about sports that will not be played until fall or spring, and athletes and faculty who are gone for the summer, his photos from last year saved the day many times.

I truly appreciate the people I got to work with this summer and the people my job has allowed me to meet. See you all in a few weeks.

Today's Birthday — You can make a dream come true this year, and you have lots of dreams. Choose the one most likely to be achieved and start there.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) — Today is an 8 — A friend's nebulous dream could actually work. Offer encouragement. Maybe you can help. Provide an idea or contact.

Taurus (April 20-May 20) — Today is a 5 — All of a sudden you encounter barriers to your plan. Buckle up. You'll get past this part as you learn more.

Gemini (May 21-June 21) — Today is an 8 — If you've craved distant travel, have you thought about going virtually? Watch a movie. Don't race off in frustration.

Cancer (June 22-July 22) — Today is a 6 — You'd rather be left alone to go over finances. Tell that to people who want your attention, then shut yourself in.

Leo (July 23-Aug. 22) — Today is an 8 — Someone has an unrealistic dream. Should you encourage this? Of course. All dreams are unrealistic until they're not.

Virgo (Aug. 23-Sept. 22) — Today is a 6 — How will you do this new assignment? Don't be discouraged. You'll figure it out as you go along.

Libra (Sept. 23-Oct. 22) — Today is an 8 — A dream comes true, or maybe it's a romantic comedy. It looks like fun, and you just didn't think it could happen.

Scorpio (Oct. 23-Nov. 21) — Today is a 5 — Move something at home back to the way it used to be. You never liked it in the new location anyway.

Sagittarius (Nov. 22-Dec. 21) — Today is an 8 — Travel should go well now, especially business travel. Have your product details ready, and you'll make sales.

Capricorn (Dec. 22-Jan. 19) — Today is a 6 — A long shot pays off. Don't buy toys. Pay off debt. Focus on ways to be more efficient.

Aquarius (Jan. 20-Feb. 18) — Today is an 8 — You've had a dream for a while but little outside support. Now it looks like you're making it happen. Good for you!

Pisces (Feb. 19-March 20) — Today is a 5 — You thought it wasn't doable, but you've found you can pull it off. You're approaching it from a different angle.
